RUFFED GROUSE

DRUM

Make your own ruffed grouse drum!

Materials

- scissors
- plastic container
- balloon
- elastic band
- something for drum sticks
- materials to decorate

1

Remove lid, then wash and dry the container.

2

Cut the bottom off a balloon.

3

Stretch the top of the balloon over the open top of the container.

4

Secure the balloon with an elastic band.

5

Decorate your drum. Use your hands or sticks on the drum to make a sound like a Ruffed Grouse!

Try using different sized or shaped containers to make more drums.
