

NEW YEAR'S

NOISEMAKER

Celebrate the holidays by using a homemade noisemaker to ring in the new year!

MATERIALS

- Plastic Bottle (12 to 20 oz.)
that fits your hand
empty and clean
- Paper
cut to fit around the bottle
- Small beads / nuts and bolts / pebbles
whatever fits into you bottle to create the rattle
- Stickers / markers / crayons
whatever you want to use to decorate your bottle
- Ribbons (approx. 24" long) • Tape

INSTRUCTIONS

- 1** Once your paper is cut to fit around the bottle, decorate the paper with stickers and designs however you like.

- 2** Tape the decorated paper around the bottle and fill with rattling materials.

- 3** Put lid back on the bottle and tie ribbons around the neck of the bottle.

Now...countdown to midnight (or Noon) and celebrate with your New Year's Noisemaker!
