## MEMORY GAME

Wagons were an important way to travel in early Pennsylvania. They came in different sizes and shapes. They carried people and their supplies in all types of weather.

1. Color the pictures and cut out each square. 2. Flip the pictures over and mix them up. Take turns with other players to try and match your pictures. If you find a match you keep that set of cards. At the end of the game the person with the most cards wins!

Bonus: Can you match each wagon with the item that would go in it?
