# ART OF THE STATE®

Art of the State is an annual juried exhibition that has been showcasing the work of PA artists at The State Museum of Pennsylvania since 1968. The art that has been exhibited reflects over a half-century of creative endeavor in the Keystone State. Through the years, artists have shared their ideas and engaged viewers in the categories of painting, photography, craft, sculpture, and work on paper. More than \$4,000 in cash awards will be distributed to artists.

# ART OF THE STATE® 2021

It goes without saying that the year 2020 is unprecedented for all of us. The process for this year's Art of the State was well underway when the pandemic hit. Throughout this crisis, The State Museum of Pennsylvania and our parent agency, the Pennsylvania Historical and Museum Commission (PHMC) have been committed to offer this exhibition in some form. While at press time we do not know when we will be able to share it in person, we are doing our best to present Art of the State and its supporting programs virtually to the people of Pennsylvania.

On behalf of The State Museum, PHMC, and our presenting partner the Pennsylvania Heritage Foundation, I would like to express our utmost appreciation to all the artists and staff who have worked so tirelessly to ensure an Art of the State 2020. The art works resonate with humanity and beauty—serving to elevate us during this difficult time.

The State Museum of Pennsylvania,
